## KENNEDY LEADS IN EARLY RETURNS

The latest national election results as the Times goes to press show a substantial lead for Sen. John F. Kennedy over Vice President Richard Nixon. At 8 p.m. last night the popular vote stood 13,097,000 for Kennedy and 11,482,000 for Nixon. The electoral college estimate stood 361 for Kennedy and 164 for Nixon.

The margin appeared to be too close to be materially altered by late returns. The vote in the Far West and on the Pacific Coast is coming in slowly.

At this time the following states either showed a material advantage on behalf of Kennedy, or were already in the Kennedy column:

Connecticut, Georgia, Massachusetts, North Carolina, South Carolina, West Virginia, Delaware, Maryland, New York, Pennsylvania, Rhode Island, Alabama, Texas, Louisiana, Mississippi, Illinois, Michigan, Minnesota, Missouri, Wisconsin, Montana, Nevada.

The Nixon column apparently includes Kansas, Tennessee, Kentucky, Maine, Vermont, Virginia, Iowa, Nebraska, North Dakota, South Dakota, Arizona, Colorado, Idaho, New Mexico, Wyoming, Florida, Ohio and Oklahoma. Such changes as may occur probably will not change the overall standing.

## Chamber Chatter

Albany is truly a busy "host" city, this week in November, to many distinguished visitors!

Wednesday, your Chamber of Commerce is playing host to the Associated Chambers of Commerce of Alameda County — with an afternoon at the races, courtesy of Golden Gate Fields and Mr. Webb Everett, followed by social hour and dinner in the Turf Club. This group of Chamber and city officials meets every other month in some city of the county, but this is Albany's first time to be host for several years.

Friday, Albany's Mayor Kathie Zahn and city officials are hosting the Alameda County Mayors Conference at a similar event — afternoon at the races, social hour, and dinner also at the Turf Club. Your Chamber of Commerce will be in charge of the social hour.

Of course, Friday, November 11 is the big day — Parade Day with thousands of visitors to our city from all over Alameda County, including distinguished guests, over 2500 parade participants, and all those who "love a parade". Very busy people these days are Albany's Parade Chairman, our own "parade expert", C. Eddie Johnson, and his local committees and chairmen — Walt Holland and "yours truly" share the job of co-chairmen of reception and publicity committees — American Legion Chairman is Ed Wall; VFW Chairman is Verne Anderson. The members of both American Legion and VFW auxiliaries are working hard with Mrs. C. Eddie Johnson as coordinator.

In all the excitement and holiday activity of the day — we must not lose the true spirit and significance of the day — Veterans Day — a day dedicated to those men and women who served and died for our country to preserve our heritage of freedom.

A living memorial to those who did not return is the green turf and trees planted on the parking strip of Key Route Boulevard.

This heritage of freedom is symbolized in Albany's Freedom Shrine, a perpetual torch designed and erected by the Albany Exchange Club in 1953 and to be rededicated in a ceremony at 11 a.m. Friday as part of Veterans Day activities.

One of the men responsible for this project was our most civic and patriotic minded citizen, and Albany Theater owner, Bill Garren. Leave it to Bill for fitting gestures — he has small flags for all theater customers, children and adults, at the box office, Wednesday and Thursday.

Before we forget — important dates for your calendar — "Albany Day" at Golden Gate Fields, Thursday, November 17. Call your Chamber office for details. American Legion Auxiliary Whist party, November 21.

In closing, let's all remember the significance of the words inscribed on the plaque at the site of Albany's Freedom Shrine:

"Grant us the grace to enshrine in our hearts a reverence for freedom, courage to defend it, and wisdom to employ it among all men."

## Albany Rotary To Host District Governor Nov. 15

The Albany Rotary Club will be host next Tuesday, November 15, to Melvin G. Henningsen, Governor of District 516 of Rotary International, who is making his annual official visit to each of the 53 Rotary Clubs in his northern California district.

He will address the Albany Club at its noon meeting at Spenger's Restaurant; will confer throughout the afternoon with local president Jack Snively, club secretary Kenneth M. Forry, and chairmen of various club committees, and will preside over an evening meeting of club officials and members on Rotary administration and service activities at the Joe Villa home in El Cerrito.

Dr. Henningsen is a dentist in Hayward and is a member and past president of the Hayward club. He was elected as a district governor of Rotary International for the 1960-61 fiscal year at Rotary's annual convention in Florida last June.

"Wherever Rotary clubs are located," asserted President Jack Snively in discussing the governor's visit, "their activities are similar to those of our Rotary club here in Albany, because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community betterment undertakings, raising the standards of business and professions, and fostering the advancement of understanding, goodwill and peace among all people of the world."

"Each year, this world-wide service organization continues to grow in numbers and in strength. During the last fiscal year," he added, "405 new Rotary clubs were organized in 47 countries, bringing the total number of clubs to an all-time high of more than 10,600, and five geographical regions were added to Rotary's membership roster, Aden, French Polynesia, New Guinea, Ryukyu Islands and San Marino."

Of course, Friday, November 11 is the big day — Parade Day with thousands of visitors to our city from all over Alameda County, including distinguished guests, over 2500 parade participants, and all those who "love a parade". Very busy people these days are Albany's Parade Chairman, our own "parade expert", C. Eddie Johnson, and his local committees and chairmen — Walt Holland and "yours truly" share the job of co-chairmen of reception and publicity committees — American Legion Chairman is Ed Wall; VFW Chairman is Verne Anderson. The members of both American Legion and VFW auxiliaries are working hard with Mrs. C. Eddie Johnson as coordinator.

In all the excitement and holiday activity of the day — we must not lose the true spirit and significance of the day — Veterans Day — a day dedicated to those men and women who served and died for our country to preserve our heritage of freedom.

A living memorial to those who did not return is the green turf and trees planted on the parking strip of Key Route Boulevard.

This heritage of freedom is symbolized in Albany's Freedom Shrine, a perpetual torch designed and erected by the Albany Exchange Club in 1953 and to be rededicated in a ceremony at 11 a.m. Friday as part of Veterans Day activities.

One of the men responsible for this project was our most civic and patriotic minded citizen, and Albany Theater owner, Bill Garren. Leave it to Bill for fitting gestures — he has small flags for all theater customers, children and adults, at the box office, Wednesday and Thursday.

Before we forget — important dates for your calendar — "Albany Day" at Golden Gate Fields, Thursday, November 17. Call your Chamber office for details. American Legion Auxiliary Whist party, November 21.

In closing, let's all remember the significance of the words inscribed on the plaque at the site of Albany's Freedom Shrine:

"Grant us the grace to enshrine in our hearts a reverence for freedom, courage to defend it, and wisdom to employ it among all men."

## AN EDITORIAL

Not one among us will deny that Albany is a good place to live. Here we have a moderate climate, certainly one of the most delightful in the United States. We have excellent schools and churches, small businesses to satisfy most of the wants of the populace, a wide variety of clubs and organizations, splendid fire and police protection, fine recreation programs and facilities, and a location within minutes of large cities.

Albany people are friendly. For the most part they mind their own business and try to live by the Golden Rule. They devote a staggering number of hours annually to the welfare of their children and to a multitude of good causes. Like residents of small towns across the nation, they are trusting, tolerant and slow to anger.

However, almost imperceptibly through the years, a cloud of fear has gathered over our town. Nobody said much about it, but it was there nonetheless — ominous and threatening. When voices were raised against it, they seemed to be stifled before their effect was realized. It is heartening to report that within the past few months something has happened in Albany. It started with the feeble protests of a few. They were joined by others. Today the ringing chorus of an outraged citizenry has punctured the fear cloud. The people are having their say.

It is refreshing to report the activities of the public-spirited group that has taken the lead in righting the situation in Albany. We wondered if such a thing would ever happen. We predict that when this distasteful business is brought to a successful conclusion, Albany will have renewed civic pride. We'll be able to say we come from Albany without fear of derision. Our residents may return to their own interpretations of "pursuit of happiness," but they will be keeping a watchful eye on their city government, the best possible insurance against repetition of past mistakes!

Albany is truly a busy "host" city, this week in November, to many distinguished visitors!

Wednesday, your Chamber of Commerce is playing host to the Associated Chambers of Commerce of Alameda County — with an afternoon at the races, courtesy of Golden Gate Fields and Mr. Webb Everett, followed by social hour and dinner in the Turf Club. This group of Chamber and city officials meets every other month in some city of the county, but this is Albany's first time to be host for several years.

Friday, Albany's Mayor Kathie Zahn and city officials are hosting the Alameda County Mayors Conference at a similar event — afternoon at the races, social hour, and dinner also at the Turf Club. Your Chamber of Commerce will be in charge of the social hour.

## Brewster Victoria, Shetland Ponies, Ellis-Olson Entry

A beautiful, authentic Brewster Victoria, drawn by a pair of matched Shetland pony stallions each with four white stockings, will be the Albany Veterans' Day Parade entry of the Ellis-Olson Mortuary on Friday.

May Ellis Olson informs us the Brewster Victoria is 90 years old and formerly was owned by Paul Busch of the Anheuser-Busch Brewery of Milwaukee, Wisconsin.

Yvonne Anne Walkup, daughter of the Olsons and a member of the firm, along with Jean Yarnell, an associate of the mortuary, will ride in the Victoria dressed in costumes of the era. The groom or driver, who sits high on a rear box of the Victoria, will be Frank De Grasse.

Next to the grandstand on San Pablo Avenue, chairs will be available in front of the Ellis-Olson Mortuary for parade viewers, provided by Mr. and Mrs. Olson.

## Moffo To Open Concert Series November 14-15

The Berkeley Community Concert Association will open its 1960-61 season November 14 and 15 with Anna Moffo, sensational young coloratura soprano.

The double concerts will be held in the Berkeley Community Theater and will be open only to subscribers to the Association.

Just one year ago, on November 14, Miss Moffo made her spectacular Metropolitan debut in "La Traviata". The Met had waited three years before Anna Moffo could take the time for a full season contract. Even then, she was the youngest soprano ever to interpret Verdi's masterpiece on that stage. Twenty-five curtain calls proclaimed the enthusiasm with which she was received. She is in constant demand in Europe, and her rise from relative obscurity only a few years ago attests to her remarkable and vital talent.

Anna Moffo was born in Wayne, Pennsylvania, where her family still resides. She was exceedingly good at sports, as well as music, but fortunately turned to music for a career.

In repertory, Miss Moffo spans a diversified selection of thirty-five roles, including "La Boheme", "Lucia di Lammermoor", "Mignon", "Rigoletto", "Puritani", "Gianni Schicchi", "Falstaff", "Turandot", "Madam Butterfly", "The Barber of Seville", "The Marriage of Figaro", and "Don Pasquale". She also composes, and collaborates with her husband in writing popular songs.

Anna Moffo credits her husband with transforming her into the beautiful and elegant woman for which she is now famous in Italy. She holds the distinction of being officially chosen one of the "ten most beautiful women in Italy".

Of her "Traviata", the critics offered: "She is one of the most beautiful women ever to grace the stage of an opera house - Miss Moffo has a lovely voice, she is a sensitive artist and a graceful actress." (Schonberg, N. Y. Times).

Already known as La Moffo, wherever she has sung, music circles in the United States and Europe predict that her career will be a truly legendary one.

## S&H Green Stamp Firm Plans Fight Over State Ruling

The Sperry and Hutchinson Company (S&H Green Stamps) stated today it will fight any effort to enforce the October 21 opinion of Attorney General Stanley Mosk which would require service stations issuing stamps to post the value of such stamps on S&H signs.

The statement was issued by John G. Beinert, Assistant Vice-President of the Sperry and Hutchinson Company.

"The opinion merely states that our stamp signs, used by service stations, must show a value for the stamps," Beinert said. "Our attorneys have advised us that, on the basis of their study of the relevant sections of the law, the Attorney General's opinion is incorrect. It is therefore our intention, if and when the Attorney General's opinion is enforced by the Department of Agriculture, Bureau of Weights and Measures, to take the question to the California courts, who have the ultimate power to interpret the law. "During such time as the courts are considering this question, we will seek a postponement of any enforcement of the Attorney General's opinion."

The Mosk opinion said the requirements for price posting apply only to gasoline prices and not to other commodities.

The opinion states, "It is clear that the giving of trading stamps or merchandise with the purchase of gasoline is not prohibited by the gasoline advertising law."

The opinion also says that the law does not require "that the value of the stamps or merchandise be shown on signs on the dispensing devices (pumps)."

S&H disagrees, Beinert said, with that part of the opinion which states that signs offering S&H Green Stamps are price signs.

"As far as we are concerned," the S&H spokesman said, "any required change in the manner in which service stations advertise the giving of stamps and actually issue stamps is unfounded."

**Letter to Editor**

Editor, Albany Times:

Dignity! Dignity and Humility are what we, the citizens of Albany, want and are entitled to.

Many people residing in Albany work in other cities, and are tired of the ridicule that is being heaped upon our citizens because of the undignified and undemocratic procedures in our

city government.

For this reason I favor the recall.

## 3,978 MILES TO THE GALLON!

Castro Valley's Ben Rolphe still gets 12 miles to a gallon of gas with his 1906 Stevens-Duryea. But how about this: Ben's elderly Stevens gets **3,978 miles** of protective cooling from a single gallon of EBMUD's pure, filtered water!

That gallon of EBMUD water costs Ben only one fortieth of a cent. That's less than it cost when Ben's Stevens was new! Which is just another way of saying that you have the lowest water rates in the Bay Area.
